

COUNTY OF SAN DIEGO NEWS RELEASE

FOR IMMEDIATE RELEASE
February 6, 2006

CONSTRUCTION BEGINS ON BRANDON ROAD SIDEWALKS *\$300k Project Underway This Week*

Residents and businesses along Brandon Road will have new sidewalks by May.

Construction on a \$300,000 project in Fallbrook begins this week. New sidewalks will be built on the east side of Brandon Road, between East Mission Road and Alvarado Street.

Included in the project are construction of curbs, gutters and sidewalks; building a pedestrian bridge over a creek; driveway reconnections; and drainage pipe replacement.

During construction, motorists may experience some delays and detours, and should use caution in the area. All businesses and residences will remain accessible during the project.
